N/A, Rancho Cucamonga,

Stunning 3br 2.5 bath Terra Vista home with viewing deck and two fireplaces! This rare beauty has been meticulously upgraded throughout, from the newer roof and oversized AC system, to the dual pane windows and new luxury vinyl flooring and plush carpeting. From the first view, this property makes an impressive statement... crisp, clean and contemporary. The living and family rooms show light and bright and each boast an elegant marble clad fireplace. The spacious dining room is adjacent to the welcoming kitchen that is equally suited for the family and your inner gourmet, featuring granite counters, warm golden wood cabinetry, stainless steel appliances, recessed lighting, and an abundance of prep surface and storage space.

The convenient half bath completes the first level. On the second level, there are three generously sized bedrooms and two full baths, including the Primary retreat with large mirrored closets and dual pane slider leading to nicely sized trex balcony with city light views. The private en-suite has a granite vanity and walk in shower. Easy care back yard with auto drip system is perfect for both entertaining under the covered patio, or quiet relaxation listening to the tranquil wall fountain.

New vinyl fencing provides elegance and privacy, and the two car garage, indoor laundry, excellent Rancho schools, and convenient proximity to shops and dining, make this a perfect place to call home!
