SENSATIONAL SINGLE STORY POOL

HOME! Situated on a corner lot, this NON-AGE restricted home checks all of the boxes you have been searching for! Upon entering, you'll absolutely fall in love with the open concept floorplan. The beadboard cabinets, granite counters, island and recessed lights all come together so well and open up nicely to the living space. With a dining, living area & fireplace, it all flows so nicely and is sure to be a space that you'll fall in love with! The primary suite sits to one side of the house and the other 3 rooms sit on the opposite side. The primary is spacious and has its own private bathroom. The primary bath offers a separate tub, walk-in shower, dual sinks and a magnificent walk-in closet! Sitting on just over 8,000 sqft, the backyard is truly a show stopper! The custom rock features around the pool & spa are stylish and well done. There is still a grass area to the other side of the pool as well. As previously mentioned, this is NOT an age-restricted neighborhood! Menifee is experiencing rapid growth and for good reason. If this home were located in any of the surrounding communities, it would be much more expensive. Menifee still offers affordability with newer amenities and perks of a booming area.
