CALLING ALL VISIONARIES! Marygold Ranch is a one-of-a-kind opportunity spanning an impressive 1.9 acres up for sale for the first time in 43 years. This isn't just a property; it's a blank canvas with extraordinary potential. The charming main home, built in 1912, features 2 bedrooms, 1 bathroom, and spacious living and kitchen areas. But the real showstopper is the sheer size and versatility of this estate. The property includes four additional structures: two garage buildings with space for multiple vehicles, a detached laundry room, and a detached guest room/office which is perfect for storage or workshops. Here's where it gets exciting: According to zoning, the following are allowed: horses, child care center, memory care facility, mobile home park, or the lot can be subdivided into 20,000 sq. ft. parcels, and each parcel can accommodate a main residence plus 2 ADUs. Whether you envision keeping Marigold Ranch as your private compound with room to breathe, or transforming it, the possibilities are endless.
