N/A, Glendora,

Imagine waking up in North Glendora, where the morning light sneaks through the Anderson windows just right, the coffee tastes better for reasons science can't explain, and your biggest problem is deciding which fruit tree to pick from first. Lemons? Oranges? Limes?

It's your own personal produce section without the judgmental self-checkout line.

The home itself nails that effortless California vibe. Real hardwood floors, copper plumbing that won't throw tantrums, a newer HVAC system that actually keeps its promises, and a layout that flows smoother than your playlist on a Sunday morning. The garage has been converted into a home gym, which you'll proudly show guests right before explaining why you haven't had time to use it lately. Step outside and the backyard instantly becomes the main character. A sparkling pool glistens like it's sponsored by Vitamin D, a Tiki Hut lounge offers shade for your

• just sit here for five minutes moments that somehow last three hours, and the half basketball court is perfect for settling friendly disputes. The mountain views to the north and city lights to the south remind you that life really doesn't get much better than this. At the far end of the property sits a fully finished shipping container studio with hardwood floors, AC, built-in closet and a private deck perfect for your home office, craft room or 4th bedroom. Three storage sheds, a 20-amp RV panel, and dual LiftMaster gates round out the list of features that make you

feel far more competent than youâ€™ll ever admit. Evenings are pure magic. The air smells like citrus, string lights glow, and the city twinkles below as if auditioning to be your nightlight. Friends gather, laughter echoes off the pool water, and someone inevitably declares, â€œWe should do this every weekend.â€• You nod & smile. When you do venture out, Glendora Village is just minutes away with its cafes, restaurants, and boutiques â€” the kind of place where everyone seems to know your name. Add in nearby hiking trails like Big Dalton Canyon, Sandburg field and track, and South Hills Park, and youâ€™ve got the perfect mix of adventure, charm, and post-hike margaritas.

This isnâ€™t just a home â€” itâ€™s a mood, a moment, and a mild flex all rolled into one. Fruit trees, pool days, mountain mornings, and that quiet satisfaction of knowing you live in one of the best pockets of Glendora. Go ahead, picture yourself here. Then stop imagining â€” and start unpacking.
