N/A, Glendora,

Youâ€™re never late for tee time at this stunning North Glendora residence, ideally located just minutes from the prestigious (and private) Glendora Country Club. This beautiful home blends views of the Foothills, with timeless character, thoughtful upgrades, and perfectly preserved mid-century modern bathrooms. Original hardwood floors throughout, complemented by newer windows, Elizabeth Plantation shutters, and new French doors. The designer kitchen is a true showpiece, featuring quiet-close, two-tone custom cabinetry, pull-out pantry storage, ample quartz countertops, and a beautiful neutral tile backsplash. At the heart of it all is an original built-in Santa Maria barbecue with rotisserie â€” what a standout feature! Viking built-in stovetop, KitchenAid built-in oven, and a spacious dining area completes the space. The expansive primary suite offers new plush carpeting (hardwood underneath), recessed lighting, and double closets. An ensuite bathroom showcases a walk-in shower, double sinks, new flooring, and iconic original 1959 tile. Two additional generously sized bedrooms share a classic Jack-and-Jill bathroom, while a convenient hallway linen closet provides extra storage. The inviting family room centers around a brick fireplace with an oversized hearth, perfect for gatherings. Because it's an open floor plan, you flow right into the adjacent living room, with sun drenched views out to your pool. Enjoy your secondary fireplace on cool SoCal evenings. A sunken office with

built-in bookcase offers a versatile space that can easily be reimagined to suit your lifestyle — whether as a home office, library, den, or creative retreat. French doors open to a backyard oasis complete with a saltwater pool and spa, stamped concrete, and a charming gazebo for shade. The backyard is perfect for entertaining or relaxing year-round. The property offers exceptional parking and storage, including space for up to seven vehicles or RV/boat parking. The carport features automatic lights and a roll-down shade, along with permitted overnight street parking (it is a private cul-de-sac). The garage is equipped with laundry, steel storage racks, drop-down storage, and is wired for sound. The garage also offers exciting potential for a pool house, ADU, or 2nd primary suite. Mature landscaping includes orange and lemon trees, Camellia, Japanese Maple, and Gardenia. Located in Glendora Unified School District.

Built in 1959
