N/A, Highland,

Welcome to your dream Highland home! This stunning 3-bedroom, 2-bath residence with a BONUS Room that has been tastefully renovated, blending modern upgrades with timeless charm. Step inside to an open and inviting floor plan filled with natural light, perfect for both everyday living and entertaining.

The newly remodeled kitchen features nice cabinetry, quartz countertops, black handle features and stainless steel appliances that flows seamlessly into the dining and living areas. Both bathrooms have been beautifully updated with contemporary finishes and elegant tile work in my opinion.

Enjoy four generously sized bedrooms offering comfort and flexibility – ideal for a growing family, guests, or a home office. Outside, the private backyard provides plenty of space for gatherings, gardening, or simply relaxing under the California sun! This back yard is one of the biggest backyards in the neighborhood offering endless opportunity.

Located in a quiet, well-established neighborhood near schools, shopping, and freeway access, this home is truly move-in ready and waiting for you. Don't miss out on this lovely home. It's waiting for YOU!
