\$675,000

4 Bedroom, 3.00 Bathroom, 2,637 sqft
Residential on 0 Acres

N/A, Moreno Valley,

Welcome to 29090 Kimberly Ave—a rare SINGLE STORY offering what buyers chase (and rarely find): space, flexibility, and a truly oversized lot in an established East Moreno Valley neighborhood.

With a split floor plan, 4 bedrooms, 2 full baths and a 3rd half bath, a dedicated laundry room, and 2,637 sq ft, this home is built for real life—room for home offices, guests, a gym, hobbies, and flexible living arrangements. Even better: TWO primary suites, each with its own en suite bath—one featuring a walk-in closet and spa tub—offering excellent separation and options for a variety of uses.

Enjoy cozy nights by the family room fireplace, plus central heat + A/C for year-round comfort. A tile roof and attached 2-car garage with direct access add everyday convenience. The bonus great room is made for entertaining, complete with a pool table and built-in cabinets. The kitchen offers a dining area, abundant cabinetry, and the refrigerator is included.

Now the mic drop: the lot. Set on approx. 0.40 acres (about 17,424 sq ft) (potentially R3 zoning—buyer to verify), you have the freedom to create the backyard lifestyle most people only dream about: entertaining under the stars, gardening, play space, a future pool, or simply more breathing room between neighbors. The yard is enclosed by block

walls, includes direct backyard access, and offers serious room for RVs, trailers, multiple vehicles, and additional parking/storage needs.

Two 30-amp RV hookups along the side make it easy to park and power RVs or set up gear without the headache—ideal for anyone who needs space to spread out and stay organized. NEW SEPTIC SYSTEM AND LEECH LINES just installed. Bonus; the dog house is included and has power + A/C.

Convenient Inland Empire access to shopping, dining, parks, trails, and weekend escapes like Lake Perris and Box Springs Mountain. Built in 1977, this is an exciting opportunity to bring your style to a spacious footprint and a lot size that's getting harder to find.

Buyer to verify all details. Come see it in person and make an offer we can't refuse.

Built in 1977
