Buyer WOOW!! MUST SEE!! The exterior of this home features a clean, modern look with an inviting presence. The house is painted with a crisp white, which contrast nicely with dark trim and roofing, giving it a contemporary aesthetic. The entrance is framed by a porch with stone columns, adding texture and a touch of rustic elegance to the face. As you come in you are greeted with a spacious living area, and fire place that makes the home feel cozy. The custom kitchen cabinets are a blend of two tones; the upper cabinets are a light wood finish, while the lower cabinets are sophisticated slate gray. The cabinetry is accented with minimalist gold handles that add a touch of elegance. New countertops and backsplash, marbled stone with bold veining in shades of gray and black, creating a striking visual contrast against the cabinets. The flooring, all around the house is a light, neutral color that complements the color scheme and adds warmth to the space. More pictures coming up soon!
