BRADFORDS RESUB, Placentia,

Welcome to this fenced, single-story, custom-built home that is the first time on the market since it was constructed in 1948. Built of reinforced concrete blocks, it sits on a 6,210 square-foot lot. The home measures 966 square feet (per tax roll) and features 2 bedrooms, 1 bathroom and 1 living room with a fireplace. All rooms have new carpeting except for tile flooring in the kitchen and vinyl flooring in the bathroom. The house has a new mini-split HVAC system for cooling and heating, and a newly upgraded electrical panel. The kitchen has the original cabinets with newer countertops and stainless steel sink. Copper water piping throughout the property. The detached two-car garage in back measures 560 square feet (per tax roll), and has hookups for a washer and gas dryer. The garage could potentially be converted to an ADU with 1 bedroom and 1 bathroom, along with its own patio for relaxing. The property has a long paved driveway and offers ample parking spaces. The home is conveniently located in Placentia's Old Town neighborhood and is walking distance to the upcoming Metrolink train station and downtown restaurants. Just a few minutes away to grocery stores, shopping center, nearby California State University Fullerton, city parks, municipal services and easy access to the 91 and 57 freeways. Much more to mention, must see to appreciate!
