N/A, Pasadena,

Perfect opportunity for a FLIPPER, DEVELOPER, INVESTOR, or someone looking to restore and reimagine the timeless beauty of this 1922 COLONIAL REVIVAL in Pasadenaâ€™s highly sought-after Washington Square Historic Landmark District. Nestled on a tree-lined street surrounded by other distinguished period homes, this property is truly a diamond in the rough. Various mature trees include Grapefruit, lemon, lime, orange, Grand Palm, bamboo and others in backyard and Cedrus deodara aurea and Magnolia trees in front yard.

The EXPANSIVE LOT and generous attic space provide multiple possibilities. Use existing attic space to add living space or expand the existing footprint to suit your familyâ€™s needs, or explore the potential of adding an ADU (Accessory Dwelling Unit) or two ADUs to create a family compound or generate rental income to help offset mortgage costs. The lot is spacious enough to accommodate additional units while still maintaining ample yard and garden areas. Furthermore, recent neighborhood sales of thoughtfully renovated homes demonstrate strong buyer demand and support the value of high-quality improvements in this historic area. Buyers to perform their own DUE DILIGENCE and VERIFY all information with city planning and relevant authorities.
