MLS® #FR25194590

\$415,000

3 Bedroom, 2.00 Bathroom, 1,920 sqft
Residential on 3 Acres

N/A, Coarsegold,

This beautifully maintained home is nestled on 3.1 acres of peaceful, gently rolling land. The spacious great room features a vaulted, beamed ceiling and offers two dining areas, which can also serve as an office. Located just outside the HOA, you can enjoy many amenities without any associated fees.

The owned solar system and newly installed backup batteries ensure that your PGE bills will be almost negligible, depending on usage. The solar system powers the private well, so your water is essentially free, aside from maintenance costs. The new deep well pump and 220 feet of new pipe were installed in 2021, so you're all set.

The property can also include the chicken coop with a rooster and about a dozen producing hens, meaning even your eggs are free.

There have been numerous upgrades, some quite recent, including windows and sliders throughout, roof, upgraded HVAC, flooring, water heater, fresh paint, gutters, and updated appliances such as the washer/dryer, fridge, microwave, dishwasher, range and vent.
