Picture-Perfect Spanish Revival in Prime Rossmoyne – First Time on the Market in 50 Years

Welcome to this character-rich two-story Spanish Revival, ideally situated on a ideal corner in Glendale's coveted Rossmoyne neighborhood—soon to be designated the Bellehurst Historic District. Built in 1929, this timeless home is being offered for the first time in half a century and showcases an abundance of original architectural details throughout.

Step inside to discover beautifully oak hardwood floors, elegant period French doors and windows, a dramatic stone staircase, and vintage tilework and fixtures in the bathrooms.

The flexible floorplan includes a grand living room with soaring high ceilings, a stunning Batchelder tile fireplace, and a striking bay window framed by multiple French windows—truly a showstopper. The formal dining room is ideal for entertaining and connects to the original kitchen, which features period tile countertops and a charming breakfast nook.

Downstairs, you'll find a versatile bedroom suite with an attached $\frac{3}{4}$ bath perfect as a guest room, den, or family room. Upstairs, a unique domed loft area with built-in bookshelves offers a serene office or creative space with views of the foothills and

neighborhood.

The upper level also features three generously sized bedrooms, including a primary suite and a character-filled hallway bathroom with original tile. Another en-suite bedroom boasts vintage wallpaper and delightful charm.

Step out to the expansive patio with a built-in BBQ, perfect for al fresco dining and entertaining. The backyard is a true retreat with a pool and spa for relaxing or hosting gatherings.

Additional features include a detached two-car garage with storage, a spacious California basement ideal for storage or a wine cellar, and a separate shed area.

Conveniently located near historic Nibley Park, Trader Joeâ€™s, places of worship, and the vibrant shops and fine restaurants. Easy access to Equinox, The Americana at Brand, and the major freeways access.

Built in 1929
