Modern Elegance in Granada Hills â€“ Fully
Reimagined Single-Story with Permitted ADU

Welcome to this masterfully rebuilt single-story residence in a quiet Granada Hills neighborhood. Sitting on a generous 9,905 sq ft lot, this 2,027 sq ft home has been completely reimagined from the studs upâ€”fully permitted and built to code with top-tier finishes and thoughtful design throughout.

Step inside to a bright, open-concept layout where the living room, dining area, and chefâ€™s kitchen flow seamlessly together. A custom bar adds the perfect touch for entertaining, and from the front door, youâ€™re greeted with a clear view through 15-foot accordion-style folding doors that open to a stunning backyardâ€”blurring the line between indoor and outdoor living.

To the right of the living space are two spacious bedrooms and a stylish full bathroom. On the left, a hallway leads to a beautifully designed guest bathroom and a separate laundry room with custom cabinetry. At the end, discover the serene primary suite featuring a walk-in closet with built-ins and a spa-like en-suite bathroom wrapped in smooth microcement.

This home is packed with smart and luxury upgrades: brand-new plumbing and electrical,

new HVAC, tankless water heater, insulation, drywall, flooring, windows, doors, paint, stucco, and landscaping. The kitchen is a standout with a Legrand Wiremold systemâ€”eliminating visible outlets from backsplash walls for a clean, modern lookâ€”and ambient under-cabinet lighting that continues into the bar area and primary closet for subtle sophistication.

Custom built-in cabinetry runs throughout the kitchen, bedrooms, laundry room and bathrooms. The kitchen features stainless steel appliances, including a Sub-Zero refrigerator, all paired with high-end finishes and open sightlines.

Step outside into your private oasis, complete with brand-new turf, mature ficus trees, and two custom-built islands featuring a BBQ, sink, and refrigeratorâ€”perfect for hosting or relaxing in style.

The newly constructed 380 sq ft ADU (2025) includes 1 bed, 1 bath, its own address, and full permitsâ€”ideal for guests, rental income, or a home office.

This turnkey gem blends design, technology, and comfort in one of Granada Hillsâ€™™ most desirable neighborhoods.

Built in 1956
