Residential on 0 Acres

N/A, Barstow,

An older home thoughtfully and perfectly restored. This is a nice corner lot which makes the home larger in size. The home has a nice cozy family room with a fireplace, plus a formal living room. The home is all painted inside with a nice bright white. The flooring is a nice gray wash laminate that will match just about any color decor. There is an indoor utility room that leads out to the back yard. The side yard and backyard have the privacy chain-link fencing. The bonus on this home is its new roof on the home and the 2-car detached garage. A home worth taking a look!!!

Built in 1956
