3 Bedroom, 2.00 Bathroom, 1,979 sqft  
Residential on 2 Acres

N/A, Hesperia,

Huge 2+ acre lot with STUNNING views and so much more. This home is perfect for anyone that wants privacy while still having the amenities of being right in town. There are plenty 3 bedroom 2 bath homes in Hesperia but finding one under \$500,000 on 2.11 acres with mature landscaping, tons of flat work/concrete/pavers and amazing views? You don't need luck, this is the ONE! The home is nice as well. It is very well laid out, close to 2000 sqft with separate living and family rooms plus a formal dining area. The kitchen has a large island with breakfast bar seating, gas range, tile counters, incredible views and it sits adjacent to the large living room. The house features an attic fan which will help electric bills to a minimum. The bedrooms are simple but good sized and include ceiling fans. There is a fully finished garage with storage shelves and laundry area. Outside there is a covered front porch next to a large area with mature landscaping and beautifully positioned paver stones. There is a huge parking area the leads to a double gate perfect for a boat or RV. Next to the double gate is a large shed for additional storage. The rear yard is absolutely gigantic and has a big rear patio to enjoy those amazing views. Don't miss out, this one is truly unique!
