N/A, Apple Valley,

Some houses just feel like home the moment you see themâ€”this is one of those. Built in 2021, this 4-bedroom, 3-bath beauty sits on a half-acre lot, giving you plenty of space to stretch out without your neighbors knowing whatâ€™s for dinner. With approximately 2,328 square feet of thoughtfully designed living space, this home perfectly balances style, comfort, and practicality. The open-concept layout features vaulted ceilings and a spacious living area that flows seamlessly into the kitchen, where youâ€™ll find granite countertops, custom cabinetry, stainless steel appliances, and a massive islandâ€”perfect for meal prep, game nights, or just standing around pretending to cook. The primary suite is its own little retreat with a generous layout, spa-like bathroom, and natural light that makes every morning a little brighter. The additional three bedrooms offer plenty of space for family, guests, or that home office you keep saying youâ€™ll set up. Outside, the fully fenced lot gives you privacy and endless possibilitiesâ€”add a pool, an ADU,(IMPRESSIVE ADDITION ALREADY STARTED IN THE BACK YARD) or finally get that dream backyard setup youâ€™ve been pinning on Pinterest. With paid-off solar, a three-car garage, and RV parking, this home is as practical as it is beautiful. Conveniently located with easy access to shopping, dining, and freeway connections, this one checks all the boxes. Come see it for yourself before someone else beats you to it!
