Beautiful Home on a Cul De Sac with a **HUGE** backyard with vehicle access. This floor plan has a perfect design for multi-gen living. The main floor has two large bedrooms with a full bathroom. One of the main floor bedrooms has direct access to the exterior. The interior has a fresh coat of 3 tone paint & new carpet throughout. Perfect for vehicles, RV's, haulers, trailers, toys, etc. Very minimal road traffic due to Cul De Sac, but less than 5 minutes away from main highways, parks, schools, shopping, dining, etc. Brand new water heater & garage door were installed. The front yard is completely landscaped with decorative rock, an extended driveway (passes to backyard), block fence with stack-stone & wrought iron finishes. The backyard has a retention wall, hardscaping, & only requires a bit of customization to have a dream yard.
