Rare Opportunity with Room to Thrive in Hesperia

Set in a quiet, commuter-friendly pocket off Peach Avenue, this uniquely spacious Hesperia home offers seven bedrooms, four bathrooms, and endless possibilities for those seeking flexibility, comfort, and convenience. Whether you're envisioning a multi-generational setup, a group home, or simply need space to live, work, and create, this one delivers.

One of the standout features is a private suite with its own entrance, full bedroom, bathroom, living area with fireplace, and a built-in sink. This could be ideal for a board and care setup, visiting relatives, or even a potential junior ADU-style retreat.

The home has been beautifully refreshed with new paint, updated light fixtures and ceiling fans, and laminate flooring throughout. The kitchen is a showstopper completely redone with modern finishes, expansive counters, and room to gather, while the updated bathrooms bring fresh style and function to everyday living.

With seven total bedrooms, there's space for everything, whether it's a home gym, homeschool room, craft studio, or private office, you can create the lifestyle you've imagined.

Step outside to a private backyard with a view, enjoy the peaceful setting just off the street, and take advantage of easy access to Ranchero or Main, which is ideal for commuters.

This is more than a home, it's a rare opportunity to live, serve, and grow under one roof.
