N/A, 29 Palms,

Mid-century desert home with country aesthetics! Situated on a fenced, half acre corner lot with amazing desert vistas in every direction. You'll love watching the sunrises from the front porch and the golden hour sunsets to the west from your back patio. Very well manicured landscaping with several private outdoor areas to relax and watch the stars. Open concept living between the living room, dining area & kitchen. Plenty of natural light through the windows and french doors. Set at the center we have a stone wood burning fireplace for those cold Mojave nights. New, low maintenance vinyl flooring throughout with recently installed double pane windows for energy efficiency. Off of the kitchen we have a better than two-hundred square ft bonus area currently being used as a bar & movie room. Tons of potential here - make it an office, primary suite or extra bedroom. This home could easily be a 3 bedroom if you decided to use this area as a bedroom. Property is on a 1,000 gal septic tank, which per city would qualify the home for up to 3 bedrooms. Attached 1 car garage with direct access. Plenty of parking including a spot for an RV! Newly installed 200 amp electrical panel to-boot! This rustic mid century home has been immaculately cared for and is ready for new owners to call it home. Don't let this one get away. Set up a private showing today!
