Sierra Del Oro, Corona,

This three-bedroom home with a small loft offers comfortable living in the scenic community of Sierra Del Oro next to Yorba Linda. The builder's design of this home features a living-dining room combination with towering ceilings and a fireplace to bask in the fire crackling during the cold winter days.

Natural light filters through the stacked windows to immerse the interior in a welcoming ambiance. There are oversized tile floors throughout the lower level of this home.

The primary suite has a lounge area, two closets with mirrored doors, and a walk-in shower. Enjoy the afternoon breeze and cool evenings in the private backyard. Bonus perks include washer and dryer hookups and direct access to a two-car garage. The landlord will pay for the gardener and HOA fees. Pets are okay, although there are restrictions on number and size. The property is just a stone's throw away from the community swimming pool and toddler's playground and a short distance from an elementary school, shopping, and two parks, including a water-splash zone.

The home is only one exit from Orange County's main attractions and shopping, just minutes from the 91 Fwy, 91 express lanes, 241 Toll Rd, 71 expressway, and the Metrolink station. Nearby nature trails, including the famed skyline trails and Prado Regional Park, are popular spots for weekend hiking, biking, and getting fresh air with the family. The property will be ready to move in by February 1, 2025.
