Residential on 1 Acres

N/A, Rancho Cucamonga,

This stunning home located in the highly desirable community of Deer Creek Estates is packed with high-end upgrades and modern conveniences. A paid-off Tesla Solar system with over 40 panels produces excess energy, eliminating electricity costs and providing an annual credit from Edison. The paid-off Tesla Powerwall ensures seamless backup power, with an upgraded sub-panel for the main living area. The home features updated electrical panels and two A/C heater units (upstairs and downstairs) with smart thermostats—the upstairs unit was just replaced in late 2024. Designed for comfort and luxury, the home boasts three fireplaces, including a double-sided fireplace in the primary suite. The second closet in the primary suite has been converted into a recording studio/office space, offering a versatile workspace. A dedicated downstairs office adds even more functionality.

The kitchen features a double oven and a new dishwasher, adding both convenience and functionality.

Outdoors, enjoy a resort-style backyard with a 4-hole putting green, 100% turf grass, a large covered patio (16' x 30') with seating and dining areas, and an outdoor fireplace. The pool and spa feature a rock waterfall and waterslide, while new Hollywood privacy hedges add seclusion. Additional upgrades include a new pool filter. The outdoor kitchen is an entertainer's dream, with a poured concrete counter, deep sink, refrigerator,

kegerator with two taps, built-in warming drawer, cutout for a Traeger smoker, and room for an 85-inch screen TV. A private outdoor staircase and walkway lead directly from the primary suite to the backyard.

Other notable features include a Nest smart doorbell, August smart locks, and a HEPA filtration system in the venting (all redone a few years ago). The home is surrounded by mature orange, lemon, apple, and pomegranate trees, adding to its charm. A spacious 4-car garage provides ample storage and parking. Plus, the entire interior has been freshly painted, making this home move-in ready!
