N/A, San Bernardino,

Nestled at the far north end of San Bernardino, this large view lot is full of possibility. The seller began building his dream home here but things have changed. The property does have a large pad, electricity and water are on sight with meters, driveway offers an electric gate with remote access. This has a lot of potential for someone who is looking for a reasonably priced option to establish a home in Southern California. Close to the 210 frwy, shopping and restaurants and yet one gets the feeling of being in one's own world far away from everyone else.
