Freshly Painted, Landscaped, and Ready for You!

Welcome to this 3-bedroom, 2-bathroom home, where the only thing missing is you (and maybe your pet, your couch, and that weird lamp you refuse to get rid of). Freshly painted inside, this beauty is looking sharp and ready to impressâ€”

Step inside to a spacious living area, perfect for entertaining, binge-watching your favorite shows. The kitchen has plenty of cabinet space, and just the right amount of counter space for you to finally attempt that recipe you saw on social media.

The primary suite is your private escape, complete with an en-suite bathroom so you donâ€™t have to share with guests (or tiny humans). The two additional bedrooms are great for family, a home office, or finally setting up that gym you keep telling yourself youâ€™ll use.

Outside, the freshly landscaped yard brings curb appeal. The backyard is perfect for BBQs, lazy Sundays, or just standing outside pretending you know how to garden.

Located near schools, parks, shopping, and dining, this home is as convenient as it is charming. So donâ€™t waitâ€”schedule your showing!

All information deemed reliable buyer to do their own due diligence and inspections Eves will be painted by the close of escrow.
