N/A, Riverside,

BACK ON MARKET! Welcome to this 3 bedroom, 2 bath, one-owner home, nestled on one of the most picturesque, tree-lined streets in all of the sought-after Wood Streets neighborhood. Built in 1952, this lovingly maintained ranch-style home is a true gardener's paradise, boasting lush landscaping, private pool-sized rear yard, and a large covered patio perfect for year-round entertaining. Spanning nearly 2,100 sq ft, this home offers a rare chance to create your dream space, and is set on a generously sized lot. Yes, the home needs new carpet and fresh interior paint, but the bones are solid, the layout is ideal, and there is a brand new HVAC system and ductwork, as well as all new exterior paint! Inside, you'll be pleased to know that there are 3 spacious bedrooms, 2 vintage tiled bathrooms, and a living room with fireplace. In addition, there is a huge family room with another fireplace, built-in bookshelves and storage, and has the potential to be converted into a luxurious primary suite if desired. The oversized kitchen offers a fantastic footprint just ready to be transformed into a modern culinary masterpiece -- or maintain the vintage vibe. This is your chance to bring new life to a classic home (or maintain its original charm) in one of Riverside's most cherished neighborhoods and school districts! Walking distance to shopping, elementary school, and a short drive to downtown Riverside where you can enjoy the Fox Theatre, the Mission Inn

Hotel & Spa, museums, restaurants, a weekend farmer's market, nightlife, and Mt. Rubidoux hiking trails.
