Single-Level Cul-de-Sac Gem with Panoramic Mountain Views-Nestled at the end of a tranquil cul-de-sac, this beautifully maintained single-level home offers views of the San Bernardino Mountains. Designed for both comfort and functionality, the expansive layout seamlessly connects the living, dining, and family areas. The inviting living room features a cozy fireplace with a classic brick hearth, leading effortlessly into the open-concept kitchen and dining space. The kitchen was remodeled in 2011, with quartz countertops, double ovens(top is a convection oven), pull-out pantry shelves, a lazy Susan, lower drawer cabinets, and high-end appliances—including a refrigerator. Four spacious bedrooms provide ample accommodation, with one bedroom's closet removed (easily reinstated if desired). The primary suite offers direct access to an adjacent bedroom, ideal for a nursery, office, or private retreat. Laminate wood flooring graces the main living areas, complemented by plush carpeting in the bedrooms & living room. Modern comforts include dual-zone heating and cooling systems with UV filtration, two automatic attic fans, and Pella windows throughout—some featuring integrated mini blinds and retractable screen sliding doors. The indoor laundry room is equipped with both gas & electric.

Significant updates enhance the home's efficiency and appeal: new copper plumbing rerouted through the attic (2009), a tankless

water heater (2020), an upgraded electrical panel (2009), and a newer roll-up garage door with battery backup opener (2021). Step outside to a private backyard oasis featuring a covered patio, an in-ground saltwater pool and spa resurfaced with quartz (2006), and newer variable-speed pool pump & control unit. The pool area is prepped for a safety net installation (not included). A 10x10 insulated shed and a smart Rachio watering system add to the property's functionality. Enjoy a variety of fruit treesâ€”lemon, grapefruit, tangerine, orange, peach and loquatâ€”and cultivate your green thumb in the raised garden beds.
