N/A, Big Bear Lake,

This is your lucky day ~ After 22 years of memories made with this cabin, the owners are ready to let someone else add to its story ~ Nestled in Moonridge with views of Bear Mountain & Snow Summit ~ Up amongst the trees with unbuilt lots on either side (the lot on the left is owned by the sellers and is available for purchase separately) gives you the feeling of seclusion you have been searching for ~ Spend the morning with a warm cup of coffee on the deck off the living room, taking in your views and listening to the wind through the trees and the sounds of mother nature around you ~ Enjoy BBQing on the side deck off of the kitchen and then relax in the hot tub on the front deck after a hard day of playing ~ On the main level you have the living room with soaring ceilings and a wood burning brick fireplace, the kitchen which is open to the living room, 2 bedrooms and a bathroom ~ The loft is above it all and serves as the master suite with its own bathroom ~ The entry level has the family room, one bedroom, a bathroom and the laundry room ~ Lots of room for you and your loved ones to gather together under one roof ~ With the 6,500 square foot adjacent lot included, you have 12,002 square feet of serenity ~ This is the perfect place to create the memories that last a lifetime!
