Residential on 0 Acres

N/A, Corona,

Welcome to 1309 Old Ranch Rd. This beautiful home has been updated throughout. Corner lot offers extra privacy. As you walk in you are greeted by a stone tile entry that reminded me of streets in Italy, a beautiful staircase and open living and dining area. The bedroom downstairs is used as an office but can easily be turned back into a bedroom. The updated laundry room will make doing laundry fun. There is a full bathroom downstairs with a walk in shower that has so many details in the tile work. As you enter the family room you will be drawn to the backyard which is so peaceful and inviting, featuring a covered patio, built in BBQ, large grass area and of course the recently remodeled pebble tech pool and don't forget about the RV parking. The kitchen is open and was updated with cherry wood cabinets and plenty of counter space for all of your needs. The large kitchen window looks out into the backyard. Upstairs is the master bedroom with two walk in closets and a remodeled master bathroom with a vanity area. There is a loft area with two secondary bedrooms and a bathroom in-between. Ceiling fans throughout the home as well as on the patio, beautiful views from the front yard and back. New HVAC system, plumbing is updated, the pool was refinished and so much more. Schedule your appointment today this home will not last!
