N/A, Highland,

Come view this amazing East Highland POOL home. This home has 1 very large bedroom downstairs with its own entry and closets. A great candidate for an ADU. Upstairs are 3 more bedrooms, a full bath and a BONUS/OFFICE/5TH room. The Primary suite upstairs opens to a large patio with amazing views. Lots of upgrades and updating has taken place. Walk in shower and updated vanity makes this awesome. Sellers redid the kitchen with beautiful white cabinets with granite counters and soft close drawers. Lots of storage under the stairs. They moved the fireplace to give more space in the family room and put it in the Primary suite upstairs. Stunning Hardwood flooring encompasses the whole floor area downstairs. Outside has a spiral stairway to the Primary Suite from the pool for that midnight swim. Play pool is perfect for that volleyball game. Use the built in BBQ and then sit in the above ground spa to relax. Yard has a large shed. Lots of room outside for your pet and even a garden area and fruit trees. NO HOA. Come see it today.
