Arrowhead Woods (AWHW), Lake Arrowhead,

Meet what's known as the Oak Tree A-frame!

Renovated, designed, and managed by To Dwell Here, this modern mountain retreat is tucked in the trees and features warm natural light, soaring windows, and classic prow style architecture. It's the kind of place that instantly feels like a getaway.

More than just a beautifully designed home, it also offers strong income potential with a proven track record as a short term rental. Currently operating as a highly successful Airbnb, it blends thoughtful design with comfort and functionality.

The main level features vaulted wood beam ceilings, an open layout, and a stone fireplace in the living room, perfect for cozy nights in. The space flows into the kitchen and dining nook, then out to a large deck made for entertaining. Two spacious bedrooms and a full bath are also on this level.

Upstairs, the loft is a private ensuite with its own deck and views of the trees. The lower level offers even more space with an additional living room, fourth bedroom, and a full bath with a soaking tub. Outside, the hot tub and string lights set the scene for relaxed mountain living.

With lake rights and a location just minutes from the lake, Blue Jay, and the Village, this turn key home checks every box: style, privacy, and rental potential all in one.
