Residential on 0 Acres

N/A, Lake Elsinore,

Serene west facing home, bursting with warmth and natural light. Inspired by the early California style, the tour begins with professional landscaping and hardscape, an arched entry and a welcoming front porch. Built by award winning Meritage homes, this Santiago model offers you a main floor bedroom & bathroom, a great room and arguably the best floor plan in all of Summerly. Entering the home you have rich hickory hardwood floors that run the length of the home. Off the entry is the first bedroom, followed by a pocket office and an upgraded bathroom and floating vanity. Pass the mudroom on the left as you walk to the great room and your dream kitchen. The gourmet kitchen has white cabinets, quartz counters, stainless steel appliances, recessed & designer pendent lighting and a walk-in pantry. Your friends and family will enjoy laughs around the eight (8) foot center island which also seats several people. The kitchen, dining and great room are bathed in pleasant light most of the day. The staircase leads to the expansive game room and textured carpet in a calming beige color that flows through out the second floor. Down the right side hallway is the laundry room and two bedrooms with walk in closets and a full bathroom. The master suite of the Santiago was created for enhanced privacy, relaxation and will accommodate a large bed and furniture. The master bath leaves you feeling pampered with quartz countertops, a dual

vanity, make-up space and a deep oval soaking tub with a stone accent wall. Topping off this area is a spacious walk in closet. Going back down to the glass sliding doors is the rear covered patio and finished backyard. Much was invested into the rear yard such as landscaping, hardscape, drainage, overhead lights, a fire pit and a separate side yard thatâ€™s ready for your imagination. The third car garage space also doubles as an indoor gym or you could convert it to another bedroom and full bathroom. Paid off solar means true savings adding to this already energy efficient home. The home is located in an interior tract location. The amenities of the Summerly include a pool, spa, bbq and seating areas, playground, splash pad, basketball court and several parks and community center.
