Horsethief Canyon, Corona,

Well-appointed Horsethief Canyon Ranch 3bd/2.5ba home. Efficient floorplan has separate living room and family rooms. Vaulted ceilings in lower level, shutters, and cozy fireplace make the lower level a great place to spend time with family and friends. Tile, carpet, and wood laminate flooring are tastefully fused together for an upgraded appearance. Upgraded kitchen boasts quartz counters, stainless appliances (refrigerator is included), farmhouse sink, can lights, and upgraded soft-close cabinets. Kid's bedrooms upstairs both have vaulted ceilings and walk-in closets and are joined by a common full bathroom...great feature so little ones don't have a long walk to the restroom in the middle of the night. Master bedroom has a vaulted ceiling with fan and walk-in closet. High-efficiency variable-speed inverter HVAC system is less than 2-years old and also included upgraded ductwork and a Sensei smart thermostat. Water heater was replaced and professionally installed at the same time. HCR is a great family community with a K-8 school, soccer, dog park, and baseball fields. There is easy resident access to the tennis courts, club house, gym, (2) olympic-sized pools, and several parks. Best of all there are no Mello Roos, so taxes are among the lowest in the area!
