The artistic detail throughout is timeless. Main level den/study with fireplace could be a 4th bedroom. 2-access points each ending at a double covered parking area. Level entry from an access road or great year-round access from the county maintained road. Sitting on 36,000+ sq. ft. among towering cedars and pine trees-the front decks overlook the grounds and offer peace and seclusion. Two-story wall of glass brings natural light into main level living areas. Kitchen has 2 ovens, center 5 burner cooktop. And wait till you see the oversized walk-in pantry with plenty of room for everything. Lots of shelves will accommodate a huge collection of cookbooks or display your fave kitchen items. Built for an era of entertaining, large collections of dishes, glasses and fancy cook-ware are all stored neatly at hand. Intimate formal dining surrounded by leaded glass...the only thing in sight....trees, trees and more trees. Loft office overlooks living area. 2 additional bedrooms on second level. Natural light floods the hallway and creates a nice area to showcase a set of floor to ceiling display cases. Upper level is the private primary bedroom with an en suite bath. Did we mention views.... you can see the ski slopes of Snow Valley and panoramic mountain ridge line views. Bathrooms are in pristine condition

featuring the fun colors of a mid century year.
