4 Bedroom, 2.00 Bathroom, 1,592 sqft

Residential on 0 Acres

N/A, Covina,

Let's start with the lot because yes, it's a corner lot, and that means extra yard space, added privacy, and the kind of curb appeal that says "yep, this one's got potential." Easy-living ranch-style home with just the right blend of comfort, function, and laid-back charm. With 4 bedrooms, there's room for everyone!

Inside, the kitchen flows right into the living room, so you're never cut off from the conversation while stirring the pot. The quartz countertops bring a clean, modern look and they're just as durable as they are stylish. Whether you're meal prepping on Sunday or microwaving leftovers on Thursday, this space just works.

The primary bedroom has a full bathroom so you're not waiting in line, and a walk-in closet. One of the bedrooms even has direct access to a screened-in patio, which basically screams: "Morning coffee spot!" or "Game night central." Picture friends gathered here on a warm evening, screen door cracked open, snacks on the table, laughter flowing. You're not hosting a fancy party; you're hosting your people, and this space is made for it. The 4th bedroom was converted into additional living space perfect as a home office, playroom, or cozy den. If you ever need the extra bedroom back, the layout makes it an easy switch!

The backyard? You'll find a wide-open space that's all about possibilities. Fire up the grill. Set up a hammock. Build that veggie garden you keep saving on Pinterest. With raised planters already in place plus lots of space to garden all around, it's ready for your green thumb (or your œœlâm learning• thumb).

And when it comes to location—you're right between the 10 and 210 freeways, just off Citrus and Covina. That means easier commutes, quicker errands!

This isn't a flashy, over-the-top listing. It's the kind of home that feels right the moment you walk in. It's where your next memories can be made—backyard BBQs, lazy Sundays, and everything in between. Welcome Home!
