\$488,000

2 Bedroom, 2.00 Bathroom, 1,250 sqft
Residential on 0 Acres

N/A, Fontana,

2022 END UNIT CONDO W/ GARAGE IN THE PRESTIGIOUS ETIWANDA SCHOOL DISTRICT. Some homes are just a place to live. And some, like this one, feel like theyâ€™ve been waiting for you. Welcome to 15210 Horizon, Unit 10: A thoughtfully designed haven tucked within 'The Retreat,' a beloved gated community in North Fontana. Built in 2022 and impeccably maintained, this home offers the rare mix of calm, comfort & quiet confidence. The kind that makes you exhale the moment you walk through the door. Step inside and take in the flow. The open concept design pulls you forward, past upgraded laminate floors and rich cabinetry, into a kitchen thatâ€™s both functional and quietly beautiful. The large center island is more than just a prep space. Itâ€™s where casual conversations happen, where morning routines begin, and where the evening glass of wine tastes a little better. The layout connects effortlessly to the dining and living areas, making everyday life and entertaining feel natural and easy. Plantation shutters in the great room filter light with just the right softness. Natural light dances through every corner. The primary suite is unexpectedly spacious, offering more than enough room to unwind. A walk-in closet and en-suite bath with dual sinks and a walk-in shower bring both comfort and convenience. The second bedroom is perfectly positioned for privacy. The laundry room is tucked in with just enough charm to make everyday tasks feel a little

easier, and the linen closet is big enough to hold more than towels. It holds order. And then there's the balcony. Private. Peaceful. A front row seat to open skies, quiet evenings and picturesque landscapes. It's where the day ends slowly. Where the best conversations happen. Where doing nothing feels like doing everything. The Retreat offers more than security. It offers lifestyle. A resort style pool and spa. A playground tucked among landscaped paths. And a community that's as well kept as it is well loved. Plus, solar panels and a tankless water heater help keep things energy efficient and easy. You're minutes from shopping, dining, parks, and major freeways. Close enough to everything, yet tucked away just enough to feel like your own world. This isn't just a move-in ready home. It's the kind of place that holds memories before they've even been made. The kind of place where weekends feel lighter, evenings feel longer, and coming home feels like the best part of your day. Maybe this is your happily ever after.

Built in 2022
