Residential on 0 Acres

N/A, Fontana,

Welcome to a home that feels like it was designed just for you, where style, space, and comfort come together to create something truly special. Located on a Cul-de-sac with No HOA. From the moment you walk in, it feels different with wide hallways, sleek finishes, and natural light pouring through plantation shutters that set the tone. The front living room offers a quiet place to unwind, while the open-concept kitchen and family room were made for connection, whether it's weeknight dinners or weekend get-togethers. The kitchen is a dream, granite counters, a massive island, double ovens, and bar seating that makes everything from breakfast to entertaining effortless. Just off the kitchen, the living area is anchored by a cozy fireplace and large windows that frame the backyard perfectly. Need a private space for guests, in-laws, or a home office with direct access to the back yard? The downstairs bedroom and full bath have you covered. But the real showstopper is upstairs a fully equipped home theater loft with a projector, screen, and surround sound. Movie nights, game days, or binge-watching your favorites, it's all better here! The primary suite feels like a retreat with its oversized layout and huge walk-in closet. Each additional bedroom offers space and flexibility for whatever life brings. Outside, the backyard is ready for both play and peace, lush lawn, mountain views, and a large covered patio, perfect for relaxing or hosting. Plus, with extra concrete on the side,

thereâ€™s room for your vision: storage, or even possible RV parking. Itâ€™s not just a house...itâ€™s the lifestyle upgrade youâ€™ve been waiting for! Every detail here was made to make life better. And once you see it, youâ€™ll knowâ€”youâ€™re home!
