Back on the market! Just minutes from the University of Redlands and nestled in a quiet neighborhood with beautiful mountain views. As soon as you step inside, you will see all of the natural light, along with the vaulted ceilings in the spacious living room and the Mediterranean-inspired tiled fireplace. The kitchen has been opened up to the living room, with a center island and space for a breakfast nook. The main suite, which also has vaulted ceilings, is separate from the other two guest bedrooms and has a large bathroom and walk-in closet. The backyard includes a large pool and spa, and two patios covers.

Everything in the home has been updated; new windows, doors, closet doors, cabinets, counter tops, water-proof vinyl flooring, tiled bathrooms, carpet, new landscaping and sprinklers, vinyl fencing/gate, recess lighting, kitchen appliances, and of course fresh paint and baseboards. A charming home ready for its new chapter!
