N/A, Yucaipa,

Graced by majestic Oaks, this mid-Century ranch style home provides so many wonderful features. Located at the end of a cul-de-sac, the setting is quiet with sparse traffic. An asphalt RV pad adjacent to the garage is approximately 18' x 53'. The two-car garage is oversized in both depth as well as a work area.

Indoors, you'll step back in time to a classic floor plan popular in the 60's. Beautifully maintained, the home offers generous storage, a raised hearth surrounding the wood burning fireplace in the living room, newer windows and plantation shutters. Don't miss the classic, colored tile in the baths. Truly, a special home!

Just think of the money you'll save not paying high taxes, HOA fees and RV storage!

Built in 1961
