N/A, Highland,

Welcome to 7126 Ridge Drive, a beautifully maintained Highland home with thoughtful upgrades throughout. Tucked away on a quiet cul-de-sac, this property offers both privacy and a true neighborhood feel. From the moment you arrive, youâ€™ll love the inviting front courtyard with its cozy seating area, perfect for coffee or quiet relaxation. Step inside to a flexible layout that offers both comfort and function.

Just off the entry is a versatile bedroom and office combination that works equally well as a home workspace, guest room, or playroom. To the left, the open living and dining rooms feature upgraded flooring and large windows that frame beautiful exterior views, while vaulted ceilings with a skylight fill the home with natural light. At the heart of the home, the kitchen connects seamlessly to a second living area, anchored by a dual-sided fireplace that creates a warm and inviting atmosphere for casual gatherings.

Down the hallway, youâ€™ll find a convenient half bathroom, a storage closet, and a laundry room with direct garage access. Two additional bedrooms are joined by a Jack-and-Jill full bathroom with a tub and shower, each bedroom offering mirrored closets and plenty of space. The primary suite is a private retreat with dual closets, direct access to the backyard, and a spa-like bathroom complete with a soaking tub, walk-in

shower, dual vanities, and a private water closet.

The backyard is designed for both entertaining and everyday living, with a spacious covered patio and barbecue area that flow into a wide-open yard. With no neighbors directly behind, the space feels private and serene, and the lot even extends beyond the rear fence line. In the evenings, youâ€™ll love the breathtaking sunsets that paint the sky, making this backyard the perfect setting to relax, host friends, or simply unwind after a long day. On the side of the home, two well-kept storage sheds provide even more space for tools, equipment, or seasonal items, keeping everything organized and out of sight.

Additional features include a two-car garage with extensive rafter storage, a new furnace and air conditioning system, and a water heater installed in 2017.

This home combines flexibility, comfort, and modern upgrades, all set in a peaceful cul-de-sac location that enhances both safety and tranquility.
