Residential on 0 Acres

N/A, Highland,

Single story, turnkey Highland pool home with an attached two car garage and gated RV parking! Located just minutes from Yaamava and the 210, this classic ranch is on a nice street in a great commuter location. You're greeted by a drought resistant front yard with new landscaping. Enter the home through the front door, or directly from the attached garage with a brand new door. The kitchen, with white cabinets and stainless appliances, is adjacent to a family room that opens up directly to the back yard via a sliding glass door. A sizable covered patio provides a great space for your summer pool parties, and there is an additional covered seating area as well. Heading back through a second slider, you'll find a family room currently staged for dining off of the formal living room with a fireplace. These living areas are opposite the four bedrooms, which is great for entertaining. The primary bedroom has a bathroom with walk in shower and a brand new vanity. It also features direct yard access. The walled yard feels very private, and the RV parking space is behind a chainlink fence for added security. This home also features upgraded dual pane windows throughout and central AC.
