Welcome Home to 11718 Pactfield Place in Yucaipa's Desirable Chapman Heights Community at the End of a Cul-de-Sac! Enjoy gatherings with loved ones in this light, bright, spacious home with so much flexibility due to separate, but open living areas you're sure to love. Pass by the cottage-garden-style flower beds with butterflies flitting about to the covered front porch, then step into the tiled entry which opens to the expansive, open-style living space. The living room boasts double-height ceilings and flows into a second space which can be used as an extension of the living room, a family room, or a formal dining room with a niche open to another room which offers a cozy fireplace, raised hearth and wood-look tile flooring adjacent to the kitchen - perfect for a family room, breakfast nook, or even an artist's studio. The kitchen offers a tiled breakfast bar with inset granite for dough-making or other food prep needs, a pantry, ample counter & cabinet space, tile flooring, & lots of natural light. A sliding door leads to the backyard with a large patio and lush, green lawn surrounded by vinyl fencing on two sides & wrought iron fencing open to views of the green space to the north. Yes, the main floor offers the convenience of a good-sized guest bedroom, a bathroom with a walk-in shower & a laundry alcove with a window to the front yard. Upstairs, the very spacious main bedroom suite is separated from the other bedrooms for added privacy and includes a retreat (perfect for a sitting

area, nursery, or home office), a balcony with sweeping views to enjoy while sipping your morning coffee, an en suite bath with separate soaking tub & shower, dual sinks, & a walk-in closet. Down the hall, you'll find a full bath & two more bedrooms with views of the distant foothills & city lights. Throughout this home, you'll enjoy an abundance of natural light complemented by neutral tile & carpet, & white paint - a perfect backdrop for your personal color palette. The 6,956 sq ft cul-de-sac lot boasts no neighbors to the north & an oversized driveway leading to the 2-car garage.
