4 Bedroom, 2.00 Bathroom, 2,002 sqft

Residential on 0 Acres

N/A, Highland,

Opportunity Awaits! First time on the market in over 30 years, this well cared-for single-level home is ready to welcome its next chapter. Offering over 2000 sq. ft. of living space with 4 bedrooms, and 2 bathrooms, this rare property offers sweeping valley and mountain views from both front and back of the home. Step through the double-door entry into the formal living room, where a wall of windows overlook the valley below. The space flows seamlessly into the dining room, making it ideal for gatherings with views of the backyard and local mountain range. The kitchen, with its durable counters, double ovens, electric cooktop, and microwave, is both functional and inviting. A quaint breakfast nook, built-in desk, and ample storage make it both functional and efficient. The spacious family room offers a more casual retreat with a cozy fireplace and sliders that open to the covered patio, the perfect spot to take in the mountain views. The private primary suite, located away from the other bedrooms, includes a walk-in closet and bath with a walk-in shower and dual sink areas. Three additional bedrooms share a full bath, offering plenty of room for family, guests, or a home office. Additional highlights include: Indoor laundry, direct garage access, newer solar panels (installed 2021) for energy savings, Low-maintenance front yard with turf, beautiful backyard with mature landscaping, concrete walkways, and a storage shed. This home offers a rare combination of space, views, and simplified living—all in a

well-established neighborhood. Don't miss this opportunity to make it yours!
