Residential on 0 Acres

N/A, Riverside,

Is there a 4-bed home in Riverside with a pool, 3-car garage, and no HOA? Yes! Right in the heart of Orangecrest. This upgraded 4-bed, 3-bath home offers over 2,600 sq ft of elegant living on a quiet, tree-lined street in the 92508 zip. From the custom pebble-tech pool to the upstairs laundry room and designer kitchen, every detail blends comfort with California style.

Inside, you'll find wide-plank luxury vinyl flooring and detailed crown moulding throughout. The kitchen showcases white shaker cabinets, quartz countertops, a charcoal-toned island, and a tile accent wall behind the gas range and stainless chimney hood. A large stainless farmhouse sink overlooks the private backyard. The open layout connects the kitchen, dining, living, and family rooms—ideal for both everyday flow and entertaining.

The main floor includes a full bedroom (currently used as an office) and bath, perfect for guests or multigenerational living. Upstairs: three more bedrooms, including a spacious primary suite with dual sinks, two walk-in closets, a soaking tub, and a separate shower. The upstairs laundry room adds everyday ease.

Step outside to your resort-style yard: a custom pebble-tech pool with spa, stacked-stone spillway, palms, birds of paradise, and low-maintenance landscaping with full irrigation. Enjoy the extended concrete patio, vinyl fencing, and retaining wall.

Additional upgrades: newer water heater, 17 SEER HVAC with heat pump, new ductwork returns, and a stacked-stone fireplace in the main living area. A 3-car attached garage, no HOA, and proximity to top-rated schools and parks complete the package.
