A home for the Holidays! This magazine worthy home is move in ready and waiting for you. As you walk to the front door you will enter through a white picket fenced gate into an adorable enclosed front porch. Upon entering the home you will notice that the bright, open-concept living space is flooded with natural light thanks to a multitude of windows adorned with classic white plantation shutters, freshly painted walls and recessed lighting that bring a sense of warmth and relaxation. The room utilizes the same warm-toned, wide-plank flooring seen throughout the home, ensuring a cohesive design that flows seamlessly into the dining area and kitchen. The fully remodeled kitchen...WOW! You will love cooking and entertaining in this kitchen that boasts crisp white shaker-style cabinets and quartz countertops which provides a striking contrast with the sleek, matte black hardware and fixtures, a classic choice that never goes out of style. The full-height white backsplash with a herringbone pattern adds visual interest and texture to the room. The large center island with additional seating space serves as a central hub for gatherings, enhancing the kitchen's functionality and flow into the adjacent living/dining areas. Rounding out the downstairs is the modern remodeled half bath. While heading up the stairwell, pay close attention to the contemporary railing and pony wall. Upstairs you will find the primary bedroom along with three secondary

bedrooms. The primary bedroom has a bold, dark gray paneled accent wall, ensuite bathroom and two separate closets one of which is a walk in. The bedroom closest to the primary is very generous in size and even has a double door entry. Two additional bedrooms and a hallway bathroom complete the upstairs.

Head back downstairs and out the french doors to the ample size backyard that showcases a newer insulated alumawood patio cover with ceiling fans and edison lights. Artificial turf, vinyl fencing, and a block wall allow for a low maintenance yard to relax in while enjoying the pine trees and surrounding rolling hills. All of this plus a newer HVAC, windows, water heater and garage door opener! The low HOA includes a pool and spa and a tot lot playground. Close to the 71, and 91 freeways, award winning schools, parks and hiking trails makes this an ideal location.
