Arrowhead Woods (AWHW), Lake Arrowhead,

It's all about location and the lake! Offered for the first time in over 70 years, this vintage Lake Arrowhead cottage enjoys a rare setting along the lake trail, just steps from Burnt Mill Beach Club. Surrounded by beautiful mature trees, the property offers unmatched proximity to the lake as well as easy access to the village shops and restaurants. The home features five bedrooms and two bathrooms across three levels. The main level includes an open living room, dining area, and kitchen. A short flight of stairs leads to a full bath and two bedrooms, while the top floor offers three additional bedrooms and a second bathroom with shower. This is a true fixer, presenting an exceptional opportunity for restoration, renovation, or re-imagining in one of Lake Arrowhead's most desirable lake-adjacent locations. The garage is a passthrough design with a smaller rear access door.

Major exterior improvements were completed in 2014, including new siding and roof, and in 2010 a 200-amp upgraded electrical panel. A highly desirable Dock S101, Slip #1 the far-right slip when facing the lake and one of only six on the multiple-slip dock is located just below the home along the trail and is available for an additional cost. The dock has been well maintained, with a new pier, stairs, and handrail installed in 2019. Dock is not being offered separately at this time.

A rare chance to own a legacy property where lake living, trail access, Lake Arrowhead Resort and Village shopping and dining

convenience all come together!
