3 Bedroom, 3.00 Bathroom, 2,001 sqft  
Residential on 0 Acres

Terramor, Corona,

Welcome to Skyview at Terramor, where modern design meets resort-style community living. This light, bright, and airy residence offers upgraded finishes and a highly desirable location within the development.

The main level features durable ceramic wood-look flooring and an open-concept layout ideal for everyday living and entertaining. The kitchen is beautifully appointed with quartz countertops, white self-closing cabinetry, black hardware, stainless steel appliances, and a deep farmhouse sink centered in the island. A spacious corner pantry provides additional storage and functionality.

Adjacent to the staircase, a generously sized wraparound storage closet offers exceptional hidden storage space. Raised-panel doors throughout the home create a clean, cohesive finish.

Upstairs, a spacious 16' x 10' loft provides flexible living space and was originally designated by the builder as a potential fourth bedroom. The primary suite includes dual sinks and a large walk-in closet. A convenient upstairs laundry room adds everyday practicality.

Parking is conveniently located directly in front of the unit (available only on one side of the street, and this home benefits from that placement).

This home includes over \$51,000 in builder upgrades (see supplements). An exceptional opportunity within Terramor's sought-after Skyview community.
