N/A, Ontario,

Build a home with the personalized features you want. Your home will start as 5 beds 3 baths with a downstairs den, downstairs bed and bath and upstairs loft so you have got it all in this house right from the start. The large open great room looks into the spacious kitchen which has granite counters, stainless steel all electric microwave, stove and dishwasher to start and white thermofoil cabinets as well. The kitchen also features a large island and lots of cabinets to work with. Upstairs you have 4 spacious rooms and 2 baths and a large walk-in closet at the primary bedroom for you to enjoy. We are in the growing and convenient area of Ontario Ranch where all kinds of new things are constantly coming in from eateries to markets and also are close to the 15, 60 & 91 freeways. Our homes are also super-efficient and you have the choice to choose if you want to purchase or lease your solar panels as well. Photo is a rendering of the model. Buyer can either lease or purchase the Solar.
