N/A, Hemet,

Gorgeous nearly new home offered at an amazing price and since the seller understands that times are tough they would love to pay \$5000 towards your closing costs! You won't find another deal like this!

This modern single-story home, built in 2019, offers 3 spacious bedrooms, an office area that could be returned to a 4th bedroom and 2 beautifully designed bathrooms. The open floor plan seamlessly connects the large kitchen, featuring contemporary appliances and ample counter space, to the great room, creating a perfect environment for entertaining or family gatherings. High ceilings and abundant natural light enhance the airy feel of the living areas.

In addition to its thoughtful design, this home is equipped with solar electricity, reducing utility costs and making it an energy-efficient choice. Situated in a central location, it provides easy access to nearby amenities, shopping, and schools, while the low taxes add to its financial appeal. Perfect for those looking for a balance of comfort, style, and convenience.
