Great home in Rancho Cucamonga. Nestled in a quiet neighborhood and very close to schools, shopping centers and great dining options. You'll appreciate the curb appeal when you see this home. The owner has done upgrades throughout the house which include the roof, dual pane windows, and laminate flooring. There is a large backyard and covered patio to enjoy with your family. The living space is bright and adjoins the dining room. Records read 3 bedrooms but there is a den that can easily be used as a 4th bedroom or home office for those who work from home.
