**\*\*\*BACK ON MARKET\*\*\*UNBELIEVABLE opportunity!!!!** This home, nestled at the end of a cul-de-sac street, has not been on the open market for sale in over half a century. It was purchased last year by an investment company who bought directly from the family that has owned it for decades. Home was completely remodeled and updated. Home boasts 5 bedrooms and 3 baths. This includes a 1 bedroom 1 full bath casita attached to the back of the home. Home is PERFECT for multi-generational living or a home with adult children. Could also be used as a rental unit. The home is situated on a HUGE lot which is fully accessible and fully useable. Big enough for an Olympic sized pool, a secondary home (ADU), or even put your own soccer field in?? The possibilities are endless. Extremely suitable for a contractor with trucks and equipment. Easy access as the side of the property abuts an easement by the Railroad that is WIDE open to use for accessing the back yard. Side of yard is equipped with a 20-foot sliding metal gate for easy access to back yard. Previous owner had LOTS of trucks, equipment, and even a full-sized yacht stored in the back. ALL flat, ALL useable. Home is laid out so nicely for family living. TWO family rooms. One for the adults and one for the kids if that suits your family. Otherwise, TONS of space to spread out and do your own design that suits your family. Home is close to Schools, Shopping, Churches, parks. A true MUST SEE! Once you put your feet on and in

this property, you will want to make it your own. Won't last! Better book your showing soon!
