N/A, Rancho Cucamonga,

Premium isn't just a price – it's a promise of rarity, lifestyle, and long-term value. In Rancho Cucamonga's coveted Victoria community, it's exceptionally rare to find a home that offers this extraordinary combination: true privacy, a 10,200 sq ft premium lot, unobstructed views, and luxury upgrades throughout. Set apart in a neighborhood where many homes share similar square footage and curb appeal, this residence stands alone – offering advantages you simply can't build later: a sought-after north-south orientation, expansive outdoor space, and panoramic views of Central Park and the Pacific Electric Inland Empire Trail. Take in these vistas from your resort-style backyard or the private balcony off the main suite. These are the elements that define real, lasting value – because you can change interior design, but you can't change the path of the sun, the space, or the setting. Inside this light-and-airy 4-bedroom, 2.5-bathroom home, thoughtful upgrades elevate the everyday: fully updated bathrooms, a sleek modern kitchen with premium finishes, dual-pane windows framing beautiful vistas, updated doors, high-end hardware, and a fresh, inviting dedicated laundry room. The impressive exterior is equally well appointed, offering a 3-car garage with workstation and shelving, an extended driveway, extra-wide gated RV parking, a security-gated pool, basketball court, well-designed storage shed, and lush, resort-style landscaping in both front

and back yards – enhanced by custom accent lighting that brings the property to life after sunset. Imagine mornings spent with coffee on the balcony, evenings by the pool, and weekends enjoying your private backyard oasis. Every detail reflects comfort, quality, and pride of ownership. Located in a well-established, meticulously maintained neighborhood with no HOA and no Mello-Roos. Top-rated schools, quick freeway and Metrolink access, Victoria Gardens, and the Cultural Center are just minutes away. A rare find in this neighborhood of Rancho Cucamonga – this home not only justifies its price, it redefines what value really means. Step beyond the ordinary and see what sets this home apart – come experience the difference for yourself.
